Central Ohio U-Pick Farms

Thirty-three farms across eleven counties that will let you into the field, with the address, the crops and how each one runs.

What is pickable this weekend is [Central Ohio U-Pick Seasons](#), which draws thirty-one crops as windows against the year with a line on today. This page is the other half: who has it, and where.

Before you drive

Ring the farm the morning you go. This is not boilerplate. A u-pick field that was open on Saturday can be picked out by Sunday, and about a third of the farms below are appointment-only or post their hours on Facebook the night before. Nothing on this page is a promise that a gate will be open.

2026 has no u-pick cane fruit at the two big Licking County operations. Lynd Fruit Farm and the Patch on 37 both lost the raspberry and blackberry crop to extreme winter and spring cold and have closed cane picking for the season. Lynd will sell picked berries at the market instead, and its Asian pear day is in doubt for the same reason.

Franklin County

The three farms inside the county line, and all three are mixed rather than specialist.

Farm	Address	U-pick crops	How it runs
Circle S Farms	9015 London Groveport Rd, Grove City 43123	Strawberries, pumpkins	Strawberries Memorial Day – Father's Day; pumpkins Sep – Oct
Doran's Farm Market	5462 Babbitt Rd, New Albany 43054	Strawberries, green beans, tomatoes	May – Oct daily 10am – 7pm, extra u-pick hours in strawberry season
Hann Farms	4600 Lockbourne Rd, Columbus 43207	Strawberries, vegetables, pumpkins	Strawberries from late May; pumpkins in autumn

Licking County — the orchards

The densest concentration of u-pick in reach of Columbus, and where the apples are.

Farm	Address	U-pick crops	How it runs
Lynd Fruit Farm	9399 Morse Rd SW, Pataskala 43062	Apples, pumpkins, sweetcorn, sunflowers, Asian pears	Apples open Thursdays from mid-Aug; three orchard blocks, the open one posted before the weekend
The Patch on 37	3131 Johnstown-Alexandria Rd NW, Alexandria 43001	Raspberries, sunflowers, apples, pumpkins	Sunflowers 25 Aug – 4 Sep; pumpkins late Sep – mid Oct
Branstool Orchards	5895 Johnstown-Utica Rd, Utica 43080	Apples, peaches, pears, sunflowers, zinnias	Farm market Fri – Sun 10am – 5pm from 8 May; u-pick by variety

Legend Hills Orchard	11335 Reynolds Rd, Utica 43080	Strawberries, peaches, apples, pumpkins	Strawberries 1 – 25 Jun; peaches 20 Jul – 5 Sep; apples Aug – Nov
Charlie's Apples at Windy Hill	1740 Sportsman Club Rd, Newark 43055	Apples	By appointment only
Berry Tree	2035 Welsh Hills Rd, Granville 43023	Blueberries	By appointment — email the farm
Birney's Miracle Farm Market	4257 Watkins Rd SW, Pataskala 43062	Mixed produce	U-pick Wed, Fri and Sat 10am – 7pm
Pigeon Roost Farm	4413 National Rd SW, Hebron 43025	Pumpkins	12 Sep – 31 Oct 2026

Lynd is the one to know. It is the largest u-pick operation in the region, apples open on Thursdays and run while they last, and the orchard block that is open changes day to day — check the farm's Facebook or newsletter before setting off, because the address on this page is the farm, not necessarily the field.

Knox County — the blueberry belt

Small farms, several of them honour-system, and more blueberries than anywhere else in reach.

Farm	Address	U-pick crops	How it runs
Willoughby Grove Farm	11895 Bryant Rd, Mount Vernon 43050	Blueberries, black raspberries	Daily 9am to dark, 1 Jul – 31 Oct
D's Blueberry Patch	7020 Kinney Rd, Mount Vernon 43050	Blueberries	Call for availability
Berry Barn	7220 Columbus Rd, Mount Liberty 43050	Strawberries, pumpkins	Seasonal — call ahead
Covenant Acreage	17001 Smith Rd, Fredericktown 43019	Strawberries, rhubarb, vegetables, flowers	Seasonal — call ahead
Apple Hill Orchards	16780 Fredericktown-Amity Rd, Fredericktown 43019	Apples, pumpkins	Autumn; cider mill on the premises
Bloomfield Meadows	650 State Route 314, Centerburg 43011	Blueberries, strawberries, red raspberries, elderberries	Seasonal — call ahead

Pleasantview Produce at 7201 Tucker Road, Centerburg — formerly Granny B Farms, certified organic, asparagus and currants and autumn raspberries — is **not listed above and not pinned**, because its status for 2026 is unknown. It has no current web presence and the last published phone number may no longer be correct. It is named here rather than dropped, because a reader local to Centerburg may know better than this page does.

Union and Madison Counties — the berry farms

Farm	Address	U-pick crops	How it runs
Blue Sky Farm	19530 Dog Leg Rd, Marysville 43040	Blueberries	July into August; five acres; hours on the farm's Facebook

Fruitfull Acres	18680 Bellville Rd, Marysville 43040	Mixed fruit	Call for times and varieties
The Berry Farm	23861 State Route 4, Richwood 43344	Blackberries, strawberries, zinnias	Typically Tue, Thu and Sat 8am – 6pm
Jacquemin Farms	7437 Hyland Croy Rd, Plain City 43064	Strawberries, pumpkins	Jun – 31 Oct, Mon – Sat 10am – 5pm, closed Sundays
Mitchell's Berries	9331 Mitchell Dewitt Rd, Plain City 43064	Strawberries, black/red/purple/gold raspberries, edamame	Strawberries from May; raspberries through summer and autumn
Yutzy's Farm Market	6010 Converse Huff Rd, Plain City 43064	Strawberries	All year Mon – Sat 9am – 5pm; call for u-pick availability

Mitchell's Berries is the only farm in the region growing four colours of raspberry — black, purple, gold and red — in one field, and it is the best answer to the 2026 cane failure further east.

Delaware, Pickaway, Fairfield and Hocking

Farm	Address	U-pick crops	How it runs
Leeds Farm	8738 Marysville Rd, Ostrander 43061	Pumpkins	Autumn weekends; ticketed farm activities
Deer Creek Berry Farms	16450 State Route 207, Mount Sterling 43143	Blackberries	July into August
Paige's Produce	7975 Cincinnati-Zanesville Rd, Amanda 43102	Apples, peaches, pumpkins	Autumn; cider mill on the premises
Hocking Hills Orchard	14435 Nickel Plate Rd, Logan 43138	Apples, pears, grapes	Weekends, last weekend in Aug to first weekend in Oct
Laurel Springs Farm	17100 Sam Carr Rd, Laurelville 43135	Blueberries	Mon, Wed, Fri by appointment only

Hocking Hills Orchard is the strangest and best of these — 1,700 heirloom and unusual apple varieties, 125 pears and a hundred grapes, run as much as a living-history collection as an orchard. Cash only, weekends only, and a six-week window.

The edge of the region

Beyond the ring but close enough to be worth the drive for one crop.

Stull's Fruit Farm	5631 County Road 23, Cardington 43315	Morrow	Blueberries	June and July — call for availability

Shawnee Springs	20093 County Road 6, Coshocton 43812	Coshocton	Table and wine grapes	Late summer into autumn

If you only go once

- **With small children** — a blueberry farm in July. Shoulder-height bushes, no thorns, nothing to fall off. Blue Sky at Marysville or Willoughby Grove at Mount Vernon.
- **For the freezer** — peaches at Branstool in August, because twenty varieties ripening in sequence means you can go twice and come back with different fruit.
- **For the photographs** — Hocking Hills Orchard in September, or a sunflower field in the four days it is standing.
- **For the day out rather than the crop** — Leeds Farm or Pigeon Roost in October, where the field is the smaller half of the trip.

What will not pin

Twenty of the thirty-three rows above are **not on the map**. OpenStreetMap carries no house-number record and no named feature for most rural central Ohio farm addresses — for several of these farms it has nothing in Ohio under the name at all. The alternative is dropping a pin on the road centroid, which puts a marker somewhere the farm is not and looks exactly as authoritative as a real one, so it is not done here.
