Top Ten Chinese Food Places in Columbus Ohio

Contact details were removed from this page on 15 August 2026. It previously carried an address, website, phone number and opening hours for every entry across duplicated copies of the same tables. None of it was sourced — nearly every row claimed the same Mon-Sun: 11:00 AM - 10:00 PM, and the phone number (614) 487-8282 was given here for Tai's Asian Bistro and simultaneously for Dewey's Pizza on [Top Ten Pizza Shops in Columbus Ohio](#). It was generated, not researched, so it has been deleted rather than patched.

Note also that several names below are Thai, Vietnamese or pan-Asian rather than Chinese, so the page's own scope needs settling before it is rebuilt.

Verified — ColumBEST 2026

Read from 614NOW's ColumBEST 2026 reader poll on 15 August 2026. ColumBEST has no Chinese category; the nearest is Best Asian Restaurant, which is a wider scope than this page. Recorded here as the one sourced fact available, not as a ranking of Chinese food.

Category	1st	2nd
Best Asian Restaurant	Tai's Asian Bistro & Sushi	Akai Hana

Source: <https://614now.com/columbest-2026>

Candidate list — unverified

Names carried over from the deleted tables, kept only as a starting point for a rebuild. These have **not** been checked for spelling, for whether the business exists, or for whether it still trades. "Chuan Jiango Hao Zi" is very likely a mangled transliteration and is left as found so the error is visible. Note that "N.E. Chinese Restaurant" and "N.N. Chinese Restaurant" both appear — at most one of them is right. Do not publish any of it as fact.

- Bangkok Grocery & Restaurant
- Blasian Grill
- Chilispot
- Chuan Jiango Hao Zi
- Ding Ho Restaurant
- Jiu Thai Asian Cafe
- Kung Fu Noodle
- Lei's Asian Bistro
- N.E. Chinese Restaurant
- N.N. Chinese Restaurant
- Sun Tong Luck Asian Cuisine
- Sunflower Chinese Restaurant

- Tai's Asian Bistro
- Tiger Lily
- Ty Ginger Asian Bistro
- Wild Ginger
- Xi Xia Chinese Cuisine

What a rebuild needs

Follow the field list in the Dining Template: address, phone, hours, open since and website, each read from the business's own site rather than an aggregator, with a blank cell left wherever the operator does not publish the field. [Top Ten Restaurants in Columbus Ohio](#) is the worked example.
