Top Ten Mexican Food Places in Columbus Ohio

Contact details were removed from this page on 15 August 2026. It previously carried an address, website, phone number and opening hours for every entry across duplicated copies of the same tables. None of it was sourced — nearly every row claimed the same Mon-Sun: 11:00 AM - 10:00 PM, and the same generated block on [Top Ten Pizza Shops in Columbus Ohio](#) cited four domains that do not resolve and one that is a parked for-sale page. It was generated, not researched, so it has been deleted rather than patched.

Names carried over from the deleted tables, kept only as a starting point for a rebuild. These have **not** been checked for spelling, for whether the business exists, or for whether it still trades. "Mi Tradcion" and "Marth'a Fusion Kitchen" are both likely misspellings and are left exactly as found so the error is visible. Do not publish any of it as fact.

What a rebuild needs

Follow the field list in the Dining Template: address, phone, hours, open since and website, each read from the business's own site rather than an aggregator, with a blank cell left wherever the operator does not publish the field. [Top Ten Restaurants in Columbus Ohio](#) is the worked example.
