Anhinga

Anhinga anhinga is a member of the anhingas family (*Anhingidae*), and one of the 454 species on the official Ohio bird list.

Scientific name	<i>Anhinga anhinga</i>
Family	Anhingas — <i>Anhingidae</i>
Ohio difficulty code	6
Ohio status	not listed

Finding it. Difficulty code 6 means it is among the least expected review-list species — casual to accidental in Ohio. A code of 5 or 6 puts it on the Ohio Bird Records Committee review list, so a sighting needs documentation submitted to the OBRC before it counts toward the state record.
