Golden-crowned Sparrow

Zonotrichia atricapilla is a member of the new world sparrows family (*Passerellidae*), and one of the 454 species on the official Ohio bird list.

Scientific name	<i>Zonotrichia atricapilla</i>
Family	New World Sparrows — <i>Passerellidae</i>
Ohio difficulty code	6
Ohio status	not listed

Finding it. Difficulty code 6 means it is among the least expected review-list species — casual to accidental in Ohio. A code of 5 or 6 puts it on the Ohio Bird Records Committee review list, so a sighting needs documentation submitted to the OBRC before it counts toward the state record.
